## All black-tread Tires are NOT made of "BAREFOOT" Rubber

30 x 3 1/2	Ford Sizes.....	\$110.40
30 x 3 1/2		\$112.40
32 x 3 1/2		\$114.40
32 x 4	Safety Tread.....	\$122.00
34 x 4	"Fair-List".....	\$122.40
36 x 4 1/2		\$131.40
37 x 5		\$137.35
38 x 5 1/2		\$140.40

THIS is to tell the People, that Goodrich "BARE-FOOT-RUBBER" Value lies not in its COLOR but in its composition.

It lies in the especially devised Texture, Flexibility, Cling-quality, Stretch, Lightness and Resilience of that "Barefoot Rubber" which, through years of Research, WE developed to match the marvellous Flexibility, Resilience and Power-conservation of our two-layer-Cord "Silvertown" Tires.

Color alone would have been little help in making "Silvertown" Treads stand-up in the tremendous ENDURANCE Tests which the 100-Mile-per-hour-Races of 1915 provided.

And Color alone.—Black, White, Red, or Gray—can do little for the Consumer who buys a "Me-too" Black-Tread Tire, of imitated make, on the assumption that all Black-Tread Tires are likely to be made of same materials.

THE marvellous "Barefoot Rubber" now used in Goodrich FABRIC Tires (as well as in Goodrich "Silvertowns") is black only because we elected that color, primarily for distinction and association with our SILVERTOWN CORD Tires.

When, therefore, the usual crop of "flattering" Imitations sprouts upon the Market DON'T assume that OTHER Black-Tread Tires have in them the "BARE-FOOT-RUBBER" which made the enormous ENDURANCE of Silvertown Cord Tires possible in the 90 to 103 Mile-per-hour Races of 1914-15.

No Tires on the Market, Size for Size, and Type for Type, are LARGER than Goodrich, and none more generously good, at any price.

"Barefoot Rubber" is now made into Goodrich FABRIC Tires,—Goodrich "Silvertown Tires,"—Goodrich Inner Tubes,—Goodrich Truck Tires,—Goodrich Motor Cycle Tires,—Goodrich Bicycle Tires,—and Goodrich Rubber Boots, Overshoes, Soles and Heels.

Get a sliver of it from your nearest Goodrich Dealer or Branch.

Note (by comparison), the reasonably-low Fair-List prices at which these best-possible Fabric Tires are being sold, on a BUSINESS basis.

## A Wired Home is within the reach of all

No matter how small and inexpensive your home, you can give yourself all the conveniences and comforts of the most costly residences at surprisingly small cost. You can wire a single room if you wish—your living room for the convenience of electric light, your kitchen for the use of labor saving house hold helps, or any room you may designate. The charge depends absolutely upon how much you wish done.

There are thousands of low-priced three- and four-room cottages in this country wired for electricity—Electric light costs but one-tenth what it did twenty-five years ago—Need you deny yourself this greatest of all comforts?

## PERFECT CONFIDENCE Deming People Have Good Reason For Complete Reliance

Do you know how—  
To find relief from backache;  
To correct distressing urinary ills;  
To assist weak kidneys?  
Many people in this vicinity know the way.

Have Used Doan's Kidney Pills;  
Have proved their worth in many tests.

Here's an Albuquerque testimony.  
J. M. Vickrey, plumber, 1004 N. 11th St., Albuquerque, N. Mex., says: "I don't hesitate to recommend Doan's Kidney Pills for backache and kidney trouble. In my case they brought immediate relief from backache."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Vickrey had. Foster-Milburn Co., Props., Buffalo, N. Y.

Deming is to have a coffin factory, if the plans of J. A. Turney mature. He has already begun work on a small scale. He denies that the enterprise has anything to do with the Mexican situation, but in view of the circumstance his friends are inclined to believe that he may have some connection with the "interests" that seek intervention and wholesale slaughter. Mr. Turney declares that he has a large market at nearby points, where several large sanitariums are located.
